Artillery

Mobilising creativity in neighbourhoods

About Artillery - founders and producers of the E17 Art Trail

Artillery initiates local projects and partnerships to create new opportunities for artists and residents to show their work, nurture talents and explore big ideas in a local context. Our projects support residents and artists to transform our experience of where we live, work and play through art. We're finalising the details on some fantastic projects to bring us all together during the E17 Art Trail, including:

Yes! Art launch, Public Digital Art panel discussion, and a Workshop Bazaar to celebrate 20 Years of making and creating together.

Look out for announcements on the festival website and digital guide.
